

FALL HOME MAINTENANCE CHECKLIST

YARD MAINTENANCE

- Clear any leaves + debris
- Aerate the soil
- Fertilize the grass
- Prune shrubs + trees

pro tip:

Change the direction of your ceiling fans to pull the warm air upwards and distribute it from the ceiling.

extra-pro tip:

Give your kitchen a good deep-cleaning. The holidays are just around the corner, so you'll thank yourself!

EXTERIOR

- Clean gutters
- Drain outdoor faucets/ add foam faucet covers
- Repair cracks in driveway
- Put outdoor furniture into storage
- Seal gaps to keep critters out - check foundation, crawl space vents, garage door gaps, gutters, downspouts, etc. *Mice can squeeze through a dime-sized hole!*
- Weatherstripping
- Fireplace Maintenance
- Garage Check - have your winter supplies ready to go! *Snow Shovel, Windshield scraper, Kitty Litter/Salt, etc.*

INTERIOR

- Clean + Store A/C Units
- Clean out Air Humidifiers often!
- Check Smoke and CO Detectors - replace batteries and check the date on each unit
- Change out filters - keep your heating bill down and ensure your system is working efficiently
